## Fourth Quarter

Stacey Cohen, Principal

Kathy Brickey, Principal's Secretary

Jennifer Cline, Assistant Principal

Rachel Bieser, Attendance Secretary

### A Note from the Principal

Dear Families,

Happy spring at last! As our year comes to a close, we have many exciting events ahead, from field trips and graduations to community engagement opportunities. We hope you will be able to join us for our 40th Anniversary, Spring Fest and/or end of year Family Picnic. You will find more information in this newsletter.

Once again we will be sending a book home in May with each child, as our gift. We have chosen Wordy Birdy for our Primary students, and Mrs. Frisby and the Rats of Nihm for our intermediate students. The animated film The Secrets of Nihm, based on the book, came out in 1982, the year students first walked through the doors of Mesa View. We hope you and your student(s) enjoy these titles.

Thank you for an amazing year. We are grateful for your partnership and support.

Have a wonderful summer,

Stacey Cohen

Mesa View Principal
