Re: Parent Right to Know Letter

As a parent of a student at Mesa View Elementary, you have the right to know the professional qualifications of the classroom teacher who instructs your child. This is a requirement for all districts that receive Title I funds. Federal law allows you to request certain information about your student's classroom teacher. The law also requires the district to give you this information in a timely manner upon request. Listed below is the information about which you have the right to ask for regarding each of your student's classroom teachers.

- Whether the Colorado Department of Education has licensed or endorsed your student's teacher for the grades and subjects taught.
- Whether CDE has decided that your student's teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
- Whether any teacher's aides or similar para-educators provide services to your child and, if they do, their qualifications.

Please contact Stacey Cohen at Stacey.cohen@d51schools.org if you would like to receive any of this information.

Sincerely,

Stacey Cohen
